B Reading Comprehension

3) Read the following passage, then answer the questions:

Dear Sama,

How are things? I hope you are well. Forgive me for the delay of my reply to you. I had had a problem with my internet connection, so I just got your message with the picture of you riding your bike. From the smile on your face, I can tell how much fun you're having. I still remember when you could hardly ride a tricycle. You've come a long way!

Now, here's some advice. I'm sure you're a good rider. But, you will fall off that bike now and then. So, please get yourself a helmet. Wear it every time you ride. A helmet will help protect you from a head injury. Wearing a helmet when you ride a bike is as important as wearing your seat belt when you drive a car!

No, I'm not trying to be a bossy know-it-all. I just don't want a bad fall to wipe that smile off your face. When you come to visit me this summer, bring your bike and your helmet. We'll take some great rides together! That's all for now. Waiting for your reply.
Yours, Malak
